Phone: 416.220.5059 – Email: christianojunior@hotmail.com – Websites: <https://www.christiano.ca/> – <https://torontoartists.ca/> – <https://qswmuralproject.ca/> – Instagram: @Christiano_artist

PROFILE: Multidisciplinary professional artist with over 25 years of experience in creating original artwork on both small and large scales, indoors and outdoors. Skilled in designing, project management, production, and execution of large-scale public art projects and 3D art installations, including murals, sculptures, canvas paintings, and digital art. A versatile, dedicated, and hardworking artist with a strong ability to solve creative challenges under tight deadlines. Fluent in English and Portuguese.

WORK SKILLS:

Digital art rendering and software: Adobe Photoshop, proficient on Wacom tablet, graphic design and photography. PC literate in Windows 10 and Microsoft Word.

Specialties: Skilled in hand/power tools including electrical, pneumatics, HVLP spray guns. Over 25 years of experience working with heavy equipment like scaffolding, powered lift systems, scissor lift, boom lift, swing stage and forklift. Expert in constructing and installing artistic projects with paint, metal, wood, fasteners, adhesives, Styrofoam, papier-mâché, plastic, plaster, cement, tiles, bricks, blocks and stones.

Community engagement: Works regularly with community and grassroots organizations to involve volunteers, newcomers, aspiring artists, youth, and people of diverse backgrounds in artistic productions that directly impact local communities.

Mentorship: Maximized talent through instruction, motivation and support. Encourages respect, initiative and enthusiasm in others. Lead artistic teams, employed and trained staff up to 10 people.

Teamwork: Worked on large and small teams to accomplish, daily, weekly and monthly goals. Excels at collaboration on artistic projects where multiple visions come together to create one seamless result.

Project Management: Proven excellent end-to-end project management and organizational skills displayed through years of experience managing processes, analyzing and identifying opportunities to improve efficiency. Experience streamlining project timelines and budgets, managing staff, supply sourcing, equipment and troubleshooting unforeseen circumstances, etc.

Safety: Compliant with all safety regulations; designed and applied safety procedures, vehicular traffic control and worker/worksite rescue plans. Goes above and beyond basic safety needs to ensure that all staff, public and surrounding areas are secure. Has never had an injury occur on a worksite.

Stakeholder relations: Experience navigating multiple investor directives with different levels of investment and interest. Liaises with all levels of staff and management to accommodate budgets, resources and coordinate schedules.

Writing proposals: Responding to art competition guidelines, preparing portfolio and application details.

ARTISTIC SKILLS & MEDIA

HVLP spray guns, aerosol and brush specialist: Painting large scales hyper-realistic murals and canvas.

Designing and art concept creation: Traditional hand drawing and Photoshop digital art rendering.

Sketching, drawing and painting: Techniques in portraits, landscape, realism and abstract images.

Cartoonist and comic strip artist: Creation of characters, storyboards, illustrations and caricatures.

Painting: Oils, acrylics, latex, enamel, watercolor, gouache & ink paints. Dry/oil pastel, chalk & charcoal.

Sculpturing: Molding and casting, metal, Styrofoam, wood, clay, papier-mâché, plaster, winter stone.
